

NOON WHISTLE[®]

It's Noon, Where's Gary?

Cold IPA
7.0% ABV

This new spin on a IPA has copious amounts of Citra, Ekuanot, and Idaho 7. The yeast in this beer allows the hops to shine through giving you bursting aromas of tropical fruit and flavors of stone fruit, and lime with hints of lemongrass and basil. This Cold IPA finishes very crisp making it an easy drinker.

In collaboration with Alarmist Brewing.
